Transportation in Lausanne

Lausanne is brimming with varied and accessible means of transport to suit every budget: bus, metro, regional train, etc. When arriving at **Lausanne train station** (*Lausanne Gare*), you can use the public transport system - bus or metro just in front of the train station. If needed, taxis are parked in front of the main entrance of the station. Uber is also operational in Switzerland.

All hotels in Lausanne provide a card for their guest to use the public transportation within the city, free of charge. The same card gives discounts on various cases.

When necessary, ticket machines are in every stop. 1 hour ticket (4.60 CHF) and 1 day ticket (9.30 CHF) allow you to transfer as many times as needed. The SBB mobile app is also very easy to use, if you have internet connection.

The Lausanne Metro

The event is using the M-2 line which connects the area of Ouchy (South Cluster) with the Area of Epalinges (North Cluster). South stop is "Ouchy Olympique" and North stop is "Croisettes".

LOC busses will provide a shuttle service to the venues in their Cluster on competition days and during official practice:

- Ouchy Olympique - regular shuttle bus to the Vidy field
- Croisettes - regular shuttle bus to 2 venues
 - Montheron
 - World Archery Excellence Centre

Buses will be easily identified as "WAMC2018 transport" and the pick up and drop off areas will be easy to find.

The time needed from Ouchy to Croisettes is approximately 20 minutes.

Vevey, Montreux, Morges and Nyon all have appealing smaller specialty shops, ideal for browsing and gift shopping.
